## South Africa Next State Dept. Sell-out COMMUNISTS AMONG SUBVERSIVES FOUND GUILTY IN RIVONIA SABOTAGE TRIAL

Dennis Goldberg (Jew)

Lionel Bernstein (Jew)

Arthur Goldreich (Jew)

"What we see in South Africa today is a powerfully moneyed effort . . . to build up a huge pressure for the overthrow of our ideal of national self-determination and survival, the ideal entrusted to us by our forefathers . . .

"Let us call this thing by its proper name! It is Pharisaism, striving to make its dominion world-wide and absolute. It is money power trying to usurp political power, as by its nature it is bound to do, and all over the world today the human spirit fights back, even the fight seems hopeless, as too by its nature it is bound to do."

—South African Observer, May, 1964

The lengthy (9 months) Rivonia Sabotage Trial was brought to a close on June 12, 1964, when eight of the ten accused were found guilty of conspiring to overthrow the Government of South Africa by violent means, some of the charges alleging the use of outside military intervention. They were sentenced to life imprisonment, although their guilt could have incurred the death penalty. Found guilty were six black Africans, an Indian and a white (Dennis Goldberg). A ninth defendant, former Communist Party propaganda chief Lionel Bernstein, was acquitted and promptly rearrested on unspecified charges.

Last fall, the leaders of the sabotage group had been apprehended in a plotting session on the farm of Arthur Goldreich, formerly an Israeli guerrilla.

While awaiting trial, Goldreich escaped from a Johannesburg jail, fled the country disguised as a priest in black clerical garb, and thereby escaped standing trial (South African Observer, July 1964).

After being detained for four days, Abraham Fischer, senior defense counsel of the guilty eight saboteurs, was released from a Johannesburg jail on July 12. Fischer had been held under a security law which permits police to hold suspects for 90-day periods without charge or trial. He had been

rounded up with 40 others, mostly whites, in Security Police swoops throughout the country. By July 15, the arrests totaled about 80 potential security risks.

Allegations have been made by the American "liberal" press, among others, that South Africans are being sentenced to death or imprisoned for their opposition to the Government's policy of Separate Development (apartheid). This was strongly denied last June in the South African Parliament by Mr. B. J. Vorster, Minister of Justice and also by leaders of the Opposition parties (United & Progressive). The Opposition Press in South Africa also agreed that the verdict of guilty in the Sabotage Trial was fair and just, although the accused were all opponents of apartheid.

The chief defense lawyer in the Sabotage Trial, Abraham Fischer (alias Bram), has been identified by the South African Department of Justice as one of many white persons "who have been office-bearers, officers, members or active supporters of the Communist Party of South Africa." (Regulation Gazette No. 142, Dept. of Justice, Republic of South Africa, Nov. 16, 1962, p 4).

The list of subversive people compiled by South Africa's Justice Department is quite revealing. Out of 129 white Europeans listed, over 90 are easily identified as being Jews, many with birthplaces other than South Africa. A few examples will suffice: Isaac Abraham Aber (Lithuania), Morris Barenblatt (Russia), Emanuel Brown (Palestine), Jack Cohen (Russia), Alexander Israel (Poland), Joe Levenson (Latvia) and Eli Weinberg (Latvia).

The Prime Minister of the Republic of South Africa, Hendrik F. Verwoerd, is the son of a Dutch Reformed Church missionary, and has lived in South Africa since he was a year old. On April 9, 1960, Prime Minister Verwoerd was shot twice in the head at point-blank range by a wealthy white farmer as he addressed a crowd of 30,000 spectators in Johannesburg.

The Prime Minister's assailant, David Pratt, of Pietersburg, was identified as being "of Jewish extraction" in the B'nai B'rith Messenger of Aug. 5, 1960.

Prime Minister Verwoerd was regarded in some circles as being "anti-semitic." In the mid-1930s, when Dr. Verwoerd was a professor of applied psychology at Stellenbosch University, he and five other professors protested to the Hertzog-Smuts government against the admission of Jewish refugees from Germany. In 1937, Dr. Verwoerd became editor of the Nationalist Party newspaper, "Die Transvaaler." His first article read in part:

"The Nationalist does not hate the Jew, but there was a clash of interests between the Jew and the Afrikaner, and the Afrikaner had found that commercial and industrial undertakings were mostly in 'foreign hands,' latterly mostly Jews."

The Afrikaners are descendants of the Dutch pioneers who established the first Boer (farmer) settlement at the cape in 1652.

Before World War II, the Nationalist Party (now in control) introduced a bill aimed at prohibiting Jewish immigration. The party called for the "deletion of Yiddish as a recognized European language for immigration purposes, for no further naturalization of Jewish immigrants, for the closing of certain professions to Jews and other 'non-assimilable' races, and for the prohibition of the changing of names, retrospective to 1930" (London Observer).

After complaints from the Dutch Reformed Synod, Educational Minister Jan De Klerk banned exhibits on the evolution of man (Darwin theory) from the Transvaal Museum in Pretoria, South Africa. In the past, Mr. De Klerk has also banned nude sculpture from public buildings in Pretoria. The standards of Christian education are being applied in South Africa. It is the declared policy of Prime Minister Verwoerd's Nationalist government that all learning

# Clear it with "Labor Socialists"

## (DUBINSKY - REUTHER - GOLDBERG - ROSE)

LBJ & HHH BOW TO PRESSURE GROUPS

Prior to the 1944 Democratic convention, Franklin Delano Roosevelt discussed several Vice-Presidential possibilities with Democratic chairman Robert Hannegan and other Democratic leaders. For the final choice, FDR is reported to have told them that they must first "Clear it with Sydney."

**Sidney Hillman**, who okayed the 1944 Democratic candidate for Vice-President (later to become President), was born on March 23, 1887 in Zagare, Lithuania, then a part of Russia. He was the son of Schmuel and Judith Paiken Gilman. Young Schmuel Gilman graduated from a Jewish Seminary at Zagare, and was reported jailed in Zagare during the 1905-1906 Russian Revolution, where he was among the workers who seized the town of Zagare in the name of the people, and was a member of the Proletarian Committee which governed the town.

Sidney Hillman (Schmuel Gilman) arrived in the U.S.A. as a political refugee on Aug. 10, 1907. Seven years later, he became President of the Amalgamated Clothing Workers Union. While pursuing his American career as a N.Y.C. garment worker, Sidney Hillman came to know the Socialist leader Morris Hillquit (Mischa Hilkowicz) and Leon Trotsky (Lev Davidovich Bronstein). Later on, through his contact with Felix Frankfurter, Sidney Hillman began his most important relationships with President Roosevelt.

The day after the late **John F. Kennedy** received the 1960 Democratic nomination for President, three men were called to his suite to discuss JFK's choice of **Lyndon B. Johnson** for Vice-President: **Alex Rose** (President, Millinery Union); **Walter Reuther** (President, Auto Workers Union); and **Arthur Goldberg** (then AFL-CIO counsel —now Supreme Court Justice). The three labor representatives were not too happy with the choice of LBJ when a telephone call came for Alex Rose. It was **David Dubinsky** in New York. Dubinsky told Rose, "I think it's a good ticket . . . that can win." Dubinsky's was the first liberal voice of political acceptance for Lyndon B. Johnson.

Hubert Humphrey, David Dubinsky and Lyndon B. Johnson. Dubinsky cracks the whip and Johnson pulls the strings.

**David Dubinsky**, who okayed the 1960 Democratic candidate for Vice-President (later to become President), was born **David Dobniewski** on Feb. 22, 1892, in Brest-Litovsk, Poland. Dubinsky's father was a baker in Brest-Litovsk, and young David became his helper. At age 15, David Dubinsky was assistant secretary of his local of the baker's union in Brest-Litovsk, and he and his fellow workers went on strike (against his own father's business). After the strike ended, Dubinsky and his union cohorts were shipped off to Siberia on orders of **Czar Nicholas II**. Dubinsky escaped and arrived in America in 1911.

By 1932, Dubinsky was president of the International Ladies Garment Workers Union. The **Lusk Committee Report** of the N.Y. State Legislature had this to say about Dubinsky's I.L.G.W.U.: ". . . it is founded

upon the principle of the class struggle . . . it seeks to bring about the overthrow of the present system of society . . . the abolition of the capitalist system . . ." (page 958, Part I, April 24, 1920).

David Dubinsky controls the **New York state Liberal Party**, which is an off-shoot of Sidney Hillman's **American Labor Party**. It represents close to half a million votes and can be the deciding factor in an election. For example, it provided JFK with the winning margin in 1960 both at the state and national level. Just as in 1960, the Liberal Party image is considered important to Lyndon B. Johnson in 1964 and he is being groomed accordingly. At 1:00 P.M., Thursday, June 4, 1964, **David Dubinsky**, **Alex Rose** (both Liberal Party vice-chairmen) and **Walter Reuther** sat down at a luncheon in the Hickory House (N.Y.C.) to discuss the political future of Lyndon B. Johnson. On June 2, Liberal Party leaders had offered LBJ their nomination for the 1964 Presidency. He accepted and agreed to speak for the Liberal Party October 15 in Madison Square Garden. LBJ also agreed to march in a Detroit Labor Day Parade with Walter Reuther, and there will be a massive New York garment area rally for the President run by Dubinsky just before election day.

On June 6, President Johnson spoke at the 50th anniversary of Dubinsky's ILGWU Health Center in Manhattan. Accompanying LBJ was Senator Hubert Humphrey, 1964 Democratic Vice-Presidential candidate, who made an appearance on an NBC-TV program June 24, where "it showed ILGWU boss David Dubinsky literally, personally, telling Senator Hubert Humphrey what to legislate, instructing him to get the civil rights bill out of the way and get along to Dubinsky's pet legislation . . ." (Jack O'Brien in N.Y. Journal American, June 5, 1964).

Is it any wonder that **Leander Perez**, the arch foe of red integrationists in Louisiana, thinks that **Walter Reuther** and **David Dubinsky** controlled the 1960 Presidential election and will repeat in 1964, and that Zionist Jews "are the most dangerous people in this country today."

### President Hoover's Mistakes

By B. C. Forbes

According to left-wing propagandists, "Hoover was a complete failure." According to present-day political standards, he certainly was. He failed in a lot of things.

He failed to draw out his salary of \$75,000 a year while he was President, turning it all back into the Treasury. He never asked for or received a \$50,000 expense account.

He failed to have his sons organize insurance firms to write insurance on government enterprises. He built a Rapidan resort for fishing and recreation at his own expense and gave it to the government. None of his sons went racing through the divorce courts. He never bundled up a lot of government documents to sell as a book to the faithful at huge profits to himself. He never sold himself into political slavery to a labor organization for a \$500,000 campaign fund. He gathered a marvelous collection of war stuff and built a museum for it, but failed to ask Congress to pay the bill. He paid it himself.

He did not dredge for votes in the political sewers of class and race hatred, and he did not try to destroy the Constitution by packing the Supreme Court. He did not plow up every third row of cotton, and he did not promise the American people one thing while at the same moment he was doing everything possible to accomplish the directly opposite results.

Herbert Hoover

Our sincere congratulations, Mr. Hoover, on your 90th birthday, August 10, 1964.  
May our next President also be a "failure."

He did not ask Congress to assess the taxpayers one billion dollars every time someone shot off a firecracker in Europe, and he did not go on fishing trips on government warships accompanied by a fleet of other warships. Neither did he kill off the farmers' little pigs, or encourage the importation of Argentine beef.

In fact, there were a lot of things that Hoover didn't do that some other people have done. He did not leave the American people a \$45,000,000,000.00 debt (now 324 billion). He never pumped stage money into the national income to fool the voters.

He would not have retained on his personal staff individuals whose activities and ac-

quaintanceships warranted investigation by a Senate Committee nor would he have indicated his approval, by failing to demand a resignation, of a Cabinet member who deliberately defended the character of a convicted Communist agent who had held responsible positions in the government, a proven perjurer in fact.

He would not have deliberately insulted the intelligence of the American people by brazenly declaring that "no emergency exists" while the welfare of the country was being jeopardized by one single man whose wrath he feared, nor would he have hesitated to invoke a law passed by the Congress with the definite purpose of presenting him with a suitable weapon to wield under such conditions. He was not a good enough politician to bear constantly in mind the good will and votes of selfish minorities.

His wife was also a failure. She never made speeches or raced hither and yon on unimportant matters. She never wrote silly drivel on her everyday life and sold it to the newspapers. She never sold soap over the radio. Her only public appearance was as an honorary member of the Girl Scouts of America. She never invited Communist youths to the White House as her guests.

She never accepted any ice-boxes from questionable characters, nor did she permit members of her family to capitalize on their White House connections.

The Hoover family seems to have made a failure of about everything that "goes" nowadays.

# Communist Aims Pushed By Front Publications

The following list of 45 current communist goals appeared in the **Congressional Record** January 10, 1963. They were taken from **The Naked Communist** by Cleon Skousen, who began his intensive study of communism during his 16-year term of service with the FBI.

The list confirms the "line" pursued in communist publications in this country such as **The Worker**, **the People's World**, and a number of front publications. The check-list provides an interesting opportunity for each individual to determine how much enemy medicine he buys himself, and to observe the sources, both national and local, from which it is merchandized in quantity.

This is on the theory that a few grains of poison occasionally might not kill us but that large doses, repeatedly, can be lethal. At least we ought to know what it is we are asked to swallow.

## CURRENT COMMUNIST GOALS

1. U. S. acceptance of coexistence as the only alternative to atomic war.
2. U. S. willingness to capitulate in preference to engaging in atomic war.
3. Develop the illusion that total disarmament by the United States would be a demonstration of moral strength.
4. Permit free trade between all nations regardless of Communist affiliation and regardless of whether or not items could be used for war.
5. Extension of long-term loans to Russia and Soviet satellites.
6. Provide American aid to all nations regardless of Communist domination.
7. Grant recognition of Red China. Admission of Red China to the U.N.
8. Set up East and West Germany as separate states in spite of Khrushchev's promise in 1955 to settle the German question by free elections under supervision of the U.N.
9. Prolong the conferences to ban atomic tests because the United States has agreed to suspend tests as long as negotiations are in progress.
10. Allow all Soviet satellites individual representation in the U.N.
11. Promote the U.N. as the only hope for mankind. If its charter is rewritten, demand that it be set up as a one-world government with its own independent armed forces. (Some Communist leaders believe the world can be taken as easily by the U.N. as by Moscow. Some times these two centers compete with each other as they are now doing in the Congo.)
12. Resist any attempt to outlaw the Communist Party.
13. Do away with all loyalty oaths.
14. Continue giving Russia access to the U.S. Patent Office.
15. Capture one or both of the political parties in the United States.
16. Use technical decisions of the courts to weaken basic American institutions by claiming their activities violate civil rights.
17. Get control of the schools. Use them as transmission belts for socialism and current Communist propaganda. Soften the curriculum. Get control of teachers' associations. Put the party line in textbooks.
18. Gain control of all student newspapers.
19. Use student riots to foment public protests against programs or organizations which are under Communist attack.
20. Infiltrate the press. Get control of book-review assignments, editorial writing, policy-making positions.

21. Gain control of key positions in radio, TV, and motion pictures.
22. Continue discrediting American culture by degrading all forms of artistic expression. An American Communist cell was told to "eliminate all good sculpture from parks and buildings, substitute shapeless, awkward and meaningless forms."
23. Control art critics and directors of art museums. "Our plan is to promote ugliness, repulsive, meaningless art."
24. Eliminate all laws governing obscenity by calling them "censorship" and a violation of free speech and free press.
25. Break down cultural standards of morality by promoting pornography and obscenity in books, magazines, motion pictures, radio, and TV.
26. Present homosexuality, degeneracy and promiscuity, as "normal, natural, healthy."
27. Infiltrate the churches and replace revealed religion with "social" religion. Discredit the Bible and emphasize the need for intellectual maturity which does not need a "religious crutch."
28. Eliminate prayer or any phase of religious expression in the schools on the ground that it violates the principle of "separation of church and state."
29. Discredit the American Constitution by calling it inadequate, old-fashioned, out of step with modern needs, a hindrance to cooperation between nations on a worldwide basis.
30. Discredit the American Founding Fathers. Present them as selfish aristocrats who had no concern for the "common man."
31. Belittle all forms of American culture and discourage the teaching of American history on the grounds that it was only a minor part of the "big picture." Give more emphasis to Russian history since the Communists took over.
32. Support any socialist movement to give centralized control over any part of the culture, education, social agencies, welfare programs, mental health clinics, etc.
33. Eliminate all laws or procedures which interfere with the operation of the Communist apparatus.
34. Eliminate the House Committee on Un-American Activities.
35. Discredit and eventually dismantle the FBI.
36. Infiltrate and gain control of more unions.
37. Infiltrate and gain control of big business.
38. Transfer some of the powers of arrest from the police to social agencies. Treat all behavioral problems as psychiatric disorders which no one but psychiatrists can understand or treat.

39. Dominate the psychiatric profession and use mental health laws as a means of gaining coercive control over those who oppose Communist goals.

40. Discredit the family as an institution. Encourage promiscuity and easy divorce.

41. Emphasize the need to raise children away from the negative influence of parents. Attribute prejudices, mental blocks and retarding of children to suppressive influence of parents.

42. Create the impression that violence and insurrection are legitimate aspects of the American tradition; that students and special-interest groups should rise up and use united force to solve economic, political and social problems.

43. Overthrow all colonial governments before native populations are ready for self-government.

44. Internationalize the Panama Canal.

45. Repeal the Connally reservation so the United States cannot prevent the World Court from seizing jurisdiction over nations and individuals alike.

## MARXISM MARCHES ON

### Rich Man's "Peace Corps"

A rich man's Peace Corps (Executive Service Corps), is going into operation to promulgate the principles of free enterprise. Among those listed is **Franklin D. Roosevelt**, Under Secretary of Commerce; **Hubert H. Humphrey**, U. S. Senator; **Jacob K. Javits**, U. S. Senator; **William S. Paley**, President, Columbia Broadcasting Company; **David Rockefeller**, President, Chase National Bank; **Vance Hartke**, U. S. Senator; **Solomonowitz**, Industrialist; **C. D. Jackson**, Publisher; **John H. Johnson**, Publisher; **Daniel A. Kimball**, Industrialist; **Lucius D. Battle**, Asst. Sec'y. of State; **William S. Gaud**, Deputy AID Administrator; **John E. Reilly**, Foreign Affairs Assistant of the Senate's assistant Democratic Leader, Hubert H. Humphrey,

All of these gentlemen are members of the **Council on Foreign Relations**, whose objective is to convert this country into a Socialist nation and then make it a unit in a one-world Socialist system.

How can these gentlemen proclaim their intention to demonstrate by on-the-spot examples that the free enterprise system is far superior to government ownership and control, when each and every one of them are definitely opposed to the free enterprise system.

J. Johnston McCauley

### Blackmail - Soviet Style

Recently a young man, running for political office for the first time, distinguished himself by disclosing he had been paid \$3,000 by Soviet agents to report all the personal information he could get about influential Republicans and, if elected, to advocate pro-Communist policies.

This should be generally known, for it explains the treasonable voting records of so many in our government. Moreover, those blackmailed, or bribed, to do Moscow's bidding are also tools available to any power-thirsty scoundrel, sufficiently corrupt to give proof of willingness to plunder the nation to benefit the criminal Communist conspiracy, whereby Moscow is provided with so much loot that a mere fraction of it suffices to sustain this structure of moral foulness.

"He that passeth by, and meddleth with strife belonging not to him, is like one that taketh a dog by the ears."

should be Christian—based on the teaching of the Afrikaan's churches and students be protected against foreign theories.

Meanwhile, back in the so-called Christian U. S. A., our State Department is spending more time and energy discouraging U. S. and foreign shippers from exporting goods to South Africa than to communist Cuba. Authorities led by Secretary of State Dean Rusk and undersecretary Averell Harriman are privately passing the word to airlines and shipping firms to abide by the economic sanctions being imposed by African countries against the South African government. IN SHARP CONTRAST, Rusk and Harriman are supporting a policy whereby the U. S. provides navigational help and vital weather information to Soviet jet transports flying strategic cargo and arms to Red Cuba non-stop from Russia. The un-announced State Department boycott against South Africa is in addition to the announced policy of the Johnson Administration barring arms shipment to the all-white regime. AUTHORITY for this boycott is spelled out in a highly classified National Security Council policy paper on South Africa drafted by the State Department's Policy Planning Council. This paper also advocates a "hands off" policy on Zanzibar, the first nation to fall into the Soviet orbit since President Johnson assumed office, and a potential second Cuba!

In October 1960, a letter was received at "Common Sense" from a well-informed South African patriot, whose remarks are just as timely in 1964:

"Our problems here in our South African Republic are much the same as in your American Republic . . . The Jews control the lives of the citizens of this Republic (South Africa) in all spheres. Our population is just over 3,000,000 whites, and out of that 3 million whites, there are 128,000 Jews. They own almost all the properties in the Republic, businesses, wholesale and retail, food, clothing manufacturers, the English Press with the exception of 2 or 3 papers. They control the English-Speaking Universities, they dominate the professions, medical, dental, lawyers, the Stock Market, municipalities, Traffic Departments, Public Libraries . . . It is almost impossible to find work in South Africa, apart from jobs with the Government, unless one works for a Jew. The riches of our wonderful country are in the hands of the 128,000. There is of course more than enough for all of us, and millions more, but we are not allowed to have it. Only skim the top of it while the masses are slaving here to fill the ever greedy coffers of the 128,000 . . . We that can think for ourselves have placed all our faith and hope in God and the Verwoerd Nationalist Government . . . We cannot expect him (Dr. Verwoerd) to take on the whole world, for it would seem the whole world is against us, but many of us know, it is not the Christian masses that are against us as we are told — these masses are voiceless — BUT INTERNATIONAL JEWRY OUT FOR WORLD DOMINATION THROUGH THEIR WORLD GOVERNMENT U.N."

**Calling All Patriots**

**FACTS:** Everything done in the last fifty years which has operated against the interests of the United States and its People, socially, economically and politically can be traced to usurpation of the Constitution by the agencies of Federal Government.

The power to resist these usurpations and restore Constitutional government has lain, un-used, in the hands of the government of the Sovereign States which gave these Federal Agencies limited powers in that contract. The Constitution not only specifies the powers granted to their servants (the Federal Agencies of Government), but specifies under the 9th and 10th Amendments that all other powers are retained by the States and the People.

These facts are conclusive proof that the governments of the several States are guilty of neglect of duty in permitting the un-lawful acts of Federal Agents to become law in their sovereign jurisdictions by acquiescence. However, these powers still exist, and can be activated within any State whose government acts in accordance with the constitutional oath of office.

**SIGNIFICANCE:** These usurpations, which include the Federal Reserve Act; the treaty joining the USA to the UNO; the invasion of the sovereign States of Arkansas, Mississippi and Alabama by the Federal Executive; illegitimate wars in the Far East and Africa without Congressional declaration; Foreign Aid, which goes to our enemies; the "Civil Rights" Act and a long list of others show a definite pattern of intention, by a few powerful men, to seize the reins of government in order to replace Constitutional Law with naked tyranny making King George III look benevolent by comparison. The freedom won for us by the blood and sacrifice of the forefathers and defended by millions of Americans since their time may be lost forever.

**ACTION INDICATED:** 1. Petition your Governor and State legislators to take the necessary action to clarify what is and what is not the law within your State, after examining the usurpation herein alleged, sending copy of this ALERT with your petition.

2. The necessary action consists in declaring by an Act of Law that the usurpation herein mentioned are null and void and not the law within the State's jurisdiction, being in violation of the Constitution, which gives no Federal Agency the right to transfer to private international banks the Congressional right and duty of control of our currency; nor to surrender our sovereignty to a group of foreign nations; nor to tax the American people for the benefit of foreign governments.

3. Get as many signatures to these petitions as you can, get other patriots to do likewise.

4. Pray to God for the salvation of our beloved country from those who seek to enslave us.
